Duck enemies

Migration of ducks

Are ducks endangered ? Give reasons for your answers.

Why do ducks migrate ?

How do you identify whether it is a female or male duck ?

What factors affect reproduction of eggs ? What can the farmer do to help ?

Write a brief description and facts about a duck breed that you have just read about. Include a picture to show what the duck looks like. You may do this on another piece of paper.

Additional activities : If you have access to webspace, make a page on the above instead of writing it . Include links that you think are useful.
